

# CHENIN BLANC

## *Tasting Notes*

*Our Chenin Blanc is liquid Texas sunshine. By fermenting cold using a northern Italian yeast strain, the wine exhibits wonderful fruit forward flavors...tropical fruits and pears with hints of rose petals. It's also bottled cold to retain it's natural CO<sub>2</sub> which creates a lively mouth feel. It's particularly flavorful with Cajun or blackened seafood, strong-flavored cheeses and low-fat dishes. It was a Champion at the Houston Livestock Show and Rodeo International Wine Competition. Served chilled at 45 degrees F.*
