Tasting Notes

This noble grape of Germany and Alsace, France is spicy, floral and very aromatic with tantalizing ginger overtones. It's fermented cold using German yeast strains which enhance its natural floral and spice components. It's also bottled cold to retain the natural CO₂ creating a lively mouth feel. Finished in a sweet style, the wine complements seafood, poultry and spicy entrees. "Texas Champion" at the Houston Livestock Show & Rodeo International Wine Competition. Serve chilled at 45 degrees F.
