Late Harvest Muscat Canelli

Tasting Notes

Glory, our Late Harvest Muscat is grown in our Halfway, Texas vineyards about 40 miles northwest of Lubbock. The grapes are picked 10 days after ripening when the berries have shriveled...which produces a thicker, richer, and sweeter juice. It is fermented with northern Italian yeast strains, producing complex apricot aromas. This wine is fermented and bottled cold to preserve the natural CO₂ which produces a rich, lively mouth feel.
