## *Tasting Notes*

Merrill's Vineyard Estate Bottled Riesling is made from 100% grapes grown in Merrill's Vineyard in the Texas High Plains planted in 1981 with an elevation of 3517 feet. One of the main reasons our Riesling is so popular is its wonderfully delicate fruit flavors. Its fermented cold using Germanic yeast and bottled cold to retain the natural CO<sub>2</sub> which creates a lively mouth feel. Serve chilled at 45 degrees F.
